

50% Off DC Connection Boxes and Fuses

1. Campaign Organizer

The campaign is organized by Krannich Solar s.r.o.

2. Campaign Period

The campaign applies to orders placed through the Krannich Solar online shop from 14 October 2026 through 31 December 2026, inclusive.

The order dispatch date is decisive.

3. Eligibility

The campaign is intended for registered Krannich Solar customers.

4. How the Campaign Works

A customer who places an order through the Krannich Solar online shop during the campaign period and enters the code **DCBOX50** in the order notes is entitled to a **50% discount on DC connection boxes and fuses**.

To qualify for the campaign, the order must include:

- photovoltaic panels,
- an inverter,
- DC cables.

The minimum order value is **EUR 1,500 excluding VAT** after all discounts have been deducted.

DC connection boxes eligible for this discount must have no more MPPT outputs than the total number of MPPT inputs across all inverters ordered.

5. Products Included in the Campaign

The discount applies only to products in the following category:

- DC connection boxes and fuses

6. Important Terms and Conditions

1. The code **DCBOX50** must be entered in the order notes when the order is submitted.
2. DC connection boxes and fuses eligible for this discount must have no more MPPT outputs than the total number of MPPT inputs across all inverters ordered.
3. Eligibility is determined based on a single order value excluding VAT after all discounts have been deducted.
4. The values of multiple orders cannot be combined.
5. The order must include photovoltaic panels, an inverter, and DC cables.

6. The DC connection boxes and fuses to which the discount is applied must be included in the same order in which the campaign code was used.
7. The minimum order value is EUR 1,500 excluding VAT after all discounts have been deducted.
8. The campaign cannot be applied retroactively to orders already placed.
9. The discount cannot be transferred to another customer.
10. The discount cannot be exchanged for cash, credit, or any other form of compensation.
11. The campaign does not apply to shipping or other services.
12. The campaign cannot be combined with other discount campaigns, individual offers, or marketing campaigns of Krannich Solar unless expressly stated otherwise.

7. Order Cancellation and Changes

In the event of cancellation, return of goods, issuance of a credit note, or any other change to the order, Krannich Solar reserves the right to recalculate the discount or withdraw eligibility for the discount entirely.

If the campaign conditions are no longer met after the order is amended, eligibility for the discount will lapse.

8. Verification of Compliance

Krannich Solar reserves the right to verify compliance with the campaign conditions and to refuse the discount in the event of misuse of the campaign or a breach of these terms and conditions.

9. Final Provisions

Krannich Solar reserves the right to modify, shorten, extend, or terminate the campaign for compelling reasons.

In the event of ambiguity or a dispute concerning the interpretation of these terms and conditions, Krannich Solar's assessment shall prevail.
